The Blenheim Skating Club offers CANSKATE which is the LEARN TO SKATE PROGRAM which all others are measured against.

CanSkate offers the best curriculum in Canada. Our flagship learn-to-skate program has taught millions of Canadians to reach their recreational and competitive goals on the ice.

The CanSkate program is geared to beginners of all ages...children, adults, newcomers to Canada and athletes with a disability (AWAD). Whether you are looking to improve basic skating skills for figure skating, hockey, ringette or speed skating, or wish to skate for recreation, fitness or fun, CanSkate will get you there.

Conducted in a fun, friendly environment, the CanSkate program showcases a comprehensive series of balance, control and agility skills, using a nationally-tested and proven curriculum that supports skater success in developing stronger basic skills on the ice.

Millions of Canadians, including World and Olympic figure skating champions and National Hockey League stars, have taken their first steps on the ice with the CanSkate program. Offered at the Blenheim Skating Club and delivered by NCCP coaches, CanSkate will help you realize your skating goals.
